to download:

On APPLE Devices

Step One:
Open **SAFARI** on your phone, and type in the URL: **Imgapps.com/APG**

Step Two:
Click this button at the **bottom** of the screen.

Step Three:
Look at the row of gray icons and swipe right until you see the "Add to Home Screen" option, and click to add.

On ANDROID Devices

Step One:
Open **CHROME** on your phone, and type in the URL: **Imgapps.com/APG**

Step Two:
Click this button at the **top right** of the screen.

Step Three:
Click on "Add to Home Screen"

Having Trouble?

- If you don't see the "Add to home screen button", you may need to scroll right or left to find it.

- Also make sure you are in Safari, not Chrome or Firefox. You must use Safari on an Apple device to download our app.
